M/s. RPR & Associates has provided a confirmation that they have subjected themselves to the peer review process of the Institute of Company Secretaries of India and hold a valid peer review certificate. The proposed remuneration to be paid to M/s. RPR & Associates for secretarial audit services for the financial year ending March 31, 2026, is Rs. 2.00 lakhs (Rupees Two Lakh only) plus applicable taxes and out-of-pocket expenses and for the remaining four years the fee shall be increased by 10% on yearly basis. Besides the secretarial audit services, the Company may also obtain certifications from M/s. RPR & Associates under various statutory regulations and certifications required by banks, statutory authorities, audit related services and other permissible non-secretarial audit services as required from time to time, for which they will be remunerated separately on mutually agreed terms, as approved by the Board of Directors in consultation with the Audit Committee. The above fee excludes the proposed remuneration to be paid for the purpose of secretarial audit of subsidiaries, if any.

The Board of Directors shall approve revisions to the remuneration of M/s. RPR & Associates for the remaining part of the tenure.

The Board of Directors, in consultation with the Audit Committee, may alter and vary the terms and conditions of appointment, including remuneration, in such manner and to such extent as may be mutually agreed with M/s. RPR & Associates. Based on the recommendations of the Audit Committee, the Board of Directors have approved and recommended the aforesaid appointment for approval of members taking into account the eligibility of the firm's qualification, experience, independent assessment & expertise of the partners in providing secretarial audit related services, competency of the staff and Company's previous experience based on the evaluation of the quality of audit work done by them in the past.

None of the Directors and Key Managerial Personnel of the Company and their respective relatives are concerned or interested, financially or otherwise, in passing the proposed Resolution.

The Board recommends the Resolution No. 6 of the Notice for approval of the members by way of an Ordinary Resolution.

Item No. 7

To increase the authorized share capital of the Company.

Keeping in view of the proposed acquisition plans to be implemented by the Company, it is proposed to increase the Authorised Share Capital of the Company from Rs. 75,00,00,000/- (Rupees Seventy Five Crores only) divided into 37,50,00,000 (Thirty Seven Crores Fifty Five Lakhs) Equity Shares of Rs.2/- (Rupees Two only) each to Rs. 90,00,00,000/- (Rupees Ninty Crores only) divided into 45,00,00,000 (Forty Five Crores) Equity Shares of Rs.2/- (Rupees Two only) each."

The Proposed increase in the Authorised Share Capital of the Company requires the approval of the members in the General Meeting. Consequent upon the increase in Authorised Share Capital of the Company, its Memorandum of Association also requires alteration so as to reflect the increase in Authorised Share Capital.

The Board of Directors recommend the Special Resolution as set out at Item No. 7 of the accompanying Notice, for Members' approval.

None of the Directors or Key Managerial Personnel of the Company and their relatives is concerned or interested, financially or otherwise, in the Ordinary Resolution.

Item No. 8:

To appoint Mr. Ravinder Reddy Surakanti (DIN: 07838836) as an Independent Director of the Company.

Pursuant to Section 161 of the Companies Act, 2013, and other applicable provisions the Board, at its meeting held on September 01, 2025, appointed Mr. Ravinder Reddy Surakanti (DIN: 07838836), aged 35 years as an Additional Director in the capacity of Independent Director of the Company for a term of five (5) years with effect from September 01, 2025 to August 31, 2030 (both days inclusive) subject to the approval of the shareholders through a special resolution.

The Company has received all statutory disclosures / declarations, including:

- (i) Consent in writing to act as director in Form DIR-2, pursuant to Rule 8 of the Companies (Appointment and Qualifications of Directors) Rules, 2014 ("the Appointment Rules"),

- (ii) Intimation in Form DIR 8 in terms of the Appointment Rules to the effect that he is not disqualified under sub-section (2) of Section 164 of the Act,
- (iii) Declaration to the effect that he meets the criteria of independence as provided in sub-section (6) of Section 149 of the Act and under LODR Regulations,
- (iv) Declaration pursuant to BSE Circular No. LIST/COMP/14/2018-19 dated June 20, 2018, and NSE Circular No. NSE/ CML/2018/24 dated June 20, 2018 that he has not been debarred from holding office of a Director by virtue of any order passed by the SEBI or any other such authority,
- (v) Confirmation that he is not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact his ability to discharge duties as an Independent Director of the Company,
- (vi) A notice in writing by a member proposing his candidature under Section 160(1) of the Act,
- (vii) Confirmation that he is in compliance with Rules 6(1) and 6(2) of the Appointment Rules, with respect to his registration with the data bank of Independent Directors maintained by the Indian Institute of Corporate Affairs, and
- (viii) Confirmation that he had not been a partner of a firm that had transactions during the last three financial years with MIC Electronics Limited or its subsidiaries amounting to 10 (ten) percent or more of its gross turnover.

The Nomination and Remuneration Committee ("NRC") in its meeting held on September 01, 2025 recommended the candidature of Mr. Ravinder Reddy Surakanti as an Independent Director of the Company which was approved by the Board in its meeting held on September 01, 2025.

In the opinion of the Board, Mr. Ravinder Reddy Surakanti fulfils the conditions for independence specified in the Act, the Rules made thereunder and the LODR Regulations and such other laws / regulations for the time being in force, to the extent applicable to the Company and he is independent of the Management. The Board noted that Mr. Ravinder Reddy Surakanti background and experience are aligned to the role and capabilities identified by the NRC and that he is eligible for appointment as an Independent Director. The Board was satisfied that the appointment is justified due to the following reasons:

- He has vast experience in finance, administration and general management.
- He has deep knowledge and expertise in business operations, risk management, strategy, governance, marketing, environment, sustainability and human resource management.
- He has experience of serving on the boards of various public listed companies across jurisdictions.

The resolution seeks the approval of members for the appointment of Mr. Ravinder Reddy Surakanti as an Independent Director of the Company from September 01, 2025 to August 31, 2030 (both days inclusive) pursuant to Sections 149, 152 and other applicable provisions of the Act and the Rules made thereunder (including any statutory modification(s) or re-enactment(s) thereof) and he shall not be liable to retire by rotation.

The details required under the provisions of Secretarial Standard-2 on General Meetings read with Listing Regulations are provided as Annexure of this Notice.

In compliance with the provisions of Section 149 read with Schedule IV to the Act and Regulation 17 of the LODR Regulations, the approval of the members is sought for the appointment of Mr. Ravinder Reddy Surakanti as an Independent Director of the Company, as a special resolution as set out above.

No director, key managerial personnel (KMP) or their relatives except Mr. Ravinder Reddy Surakanti, to whom the resolution relates, is interested in or concerned, financially or otherwise, in passing the proposed resolution as set out in Item no. 8.

The Board recommends the special resolution as set out in Item no. 8 of this notice for the approval of members.

Item No. 9

To increase the limits for borrowings.

Keeping in view the Company's existing and future financial requirements to support its business operations, the Company may need additional funds. For this purpose, the Company may, from time to time, raise finance from various Banks and/or Financial Institutions and/ or any other lending institutions and/or Bodies Corporate and/or such other persons/ individuals as may be considered fit, which, together with the moneys already borrowed by the Company (apart from temporary loans obtained from the Company's bankers in ordinary course of business) may exceed the aggregate of the paid-up capital and free reserves of the Company.

Hence it is proposed to increase the maximum borrowing limits to Rs. 1250 Crores for the Company. Pursuant to Section 180(1)(c) of the Companies Act, 2013, the Board of Directors cannot borrow more than the aggregate amount of the paid-up capital of the Company and its free reserves at any one time except with the consent of the members of the Company in a general meeting.

In order to facilitate securing the borrowing made by the Company, it would be necessary to create charge on the assets or whole or part of the undertaking of the Company for which authorisation for creation of charge on assets of the Company for securing the borrowings made by the Company is also proposed to be increased to Rs. 1250 Crores.

Hence, the Special Resolution at Item No. 9 of the Notice is being proposed, since the same exceeds the limits provided under Section 180(1)(a) & 180(1)(c) of the Act, the Directors recommend the Special Resolution as set out at Item No. 9 of the accompanying Notice, for members' approval.

None of the Directors or Key Managerial Personnel of the Company and their relatives is concerned or interested, financially or otherwise, in the Special Resolution except to the extent of their shareholding in the Company.

Item No. 10

To make investments, give loans, guarantees and security in excess of limits specified under section 186 of the Companies Act, 2013.

In order to make optimum use of surplus funds as may be available with the Company and also to achieve long term strategic and business objectives, the Board of Directors of the Company proposes to make use of the same by making investment in other bodies corporate or granting loans, giving guarantee or providing security to other persons or other body corporate or as and when required.

Pursuant to the provisions of section 186(3) of the Companies Act, 2013 and rules made there under, the Company needs to obtain prior approval of shareholders / members by way of special resolution passed at the General Meeting in case the amount of investment, loan, guarantee or security proposed to be made is more than the higher of sixty percent of the paid-up share capital, free reserves and securities premium account or one hundred percent of free reserves and securities premium account.

Accordingly, the Board of Directors of the Company proposes to obtain approval of shareholders by way of special resolution as contained in the notice of the Annual General Meeting for an amount not exceeding INR 2000 crores (Rupees Two Thousand Crores Only) outstanding at any time notwithstanding that such investments, outstanding loans given or to be given and guarantees and security provided are in excess of the limits prescribed under Section 186 of the Companies Act, 2013. The Directors therefore, recommend the Special Resolution for approval of the shareholders.

None of the Directors or Key Managerial Personnel of the Company and their relatives is concerned or interested, financially or otherwise, in the Special Resolution as set out at Item No. 10 except to the extent of their shareholding in the Company.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. Introduction

MIC Electronics Limited stands as a key player in the Indian market, specializing in Railway Signalling Systems and LED Displays. Our consistent presence in these sectors is built on innovation, dependability, and a customer-first approach. This Management Discussion and Analysis (MD&A) report offers insights into our performance, significant developments, industry challenges, and our forward-looking strategies.

2. Industry Overview

India's Railway Passenger Information Systems, LED Displays, and EV Charger segments have witnessed robust growth, fueled by infrastructure investments, digitization, and the rising demand for energy-efficient technologies. MIC Electronics continues to leverage its technological edge and domain experience to capitalize on these developments.

Railway Passenger Information Systems (PIS)

- Indian Railways operates one of the world's largest rail networks, with over 8,000 stations and 12,000 trains.
- Rising passenger volumes have amplified the demand for real-time and efficient information systems.
- India's PIS market is valued at ₹500 crores, expanding at a CAGR of 15%.
- Key participants include Indian Railways' in-house teams, Siemens, and MIC Electronics.

LED Display Boards

- Government programs like Smart Cities and Digital India are major growth drivers.
- The LED display market is worth approximately ₹2,000 crores, growing at a CAGR of 20%.
- Applications include transportation hubs, public messaging, advertising, and smart city solutions.
- Competitors range from Indian companies like MIC Electronics to global giants like Samsung and LG.

EV Chargers

- India's EV ecosystem is maturing, driven by subsidies and environmental mandates.
- The EV charger market is estimated at ₹300 crores, growing at a CAGR of 30%.
- Usage spans 2/3/4-wheeler segments, public and residential infrastructure, and government fleets.
- Key players include Tata Power, ABB, Siemens, and MIC Electronics among others.

Trends and Opportunities

- Digital transformation of Indian Railways including IoT and automation.
- Increased emphasis on green and sustainable technologies.
- Government-led initiatives like Make in India creating new business avenues.
- Opportunities abound for localized innovation in PIS, LED displays, and EV chargers.

Challenges

- Competition from both local and international players.
- Lack of standards and compatibility in PIS and EV charging systems.
- Heavy reliance on policy-driven initiatives and public projects.

3. Product Portfolio (with RDSO/RCF approval & various stages of approvals)

MIC Electronics' product portfolio includes a wide array of Railway Passenger Information Systems, LED Display Boards, Emergency Light Unit, Passenger Announcement & passenger Information System (PAPIS), Remote monitoring processing unit etc., many of which have received or are in various stages of obtaining RDSO/RCF approvals. These products are designed to meet Indian Railways' stringent quality standards and have been deployed in multiple railway zones and urban infrastructure projects.

4. Financial Performance

In the FY 2024-25, the Company recorded a total revenue of ₹ 6294.68 Lakhs as compared to the previous year's total revenue of ₹ 5656.61 Lakhs. During this financial year the Company has earned a net profit of ₹ 978.99 Lakhs as against the previous year's net profit of ₹ 6184.23 Lakhs (including a deferred tax asset of ₹4,410.54 lakhs).

5. Strategic Initiatives

Key initiatives undertaken during the year include:

MANAGEMENT DISCUSSION AND ANALYSIS

- Innovation: Sustained R&D to develop cutting-edge LED displays and signaling technologies tailored to customer needs.
- Expansion: Targeting domestic and international markets to widen our revenue base and minimize dependence on a single segment.
- Operational Excellence: Adoption of lean practices and supply chain optimization to drive cost efficiency and scalability.

6. Challenges and Mitigation Strategies

Despite our progress, we encountered several operational and external challenges. These include:

- Intense Competition
- Technological Disruption
- Government Policy Changes
- Fluctuating Raw Material Prices
- Delays in Government Project Executions
- Environmental Compliance
- Talent Management
- Cybersecurity
- Quality Control
- Export Market Volatility
- Innovation Needs
- Supply Chain Disruptions

Mitigation measures taken include:

- Developing niche products and enhancing R&D.
- Proactively engaging with policymakers and industry groups.
- Diversifying sourcing and inventory buffers.
- Driving sustainability through green practices.
- Focusing on workforce development and retention.
- Investing in cybersecurity infrastructure and audits.
- Ensuring rigorous quality management systems.
- Expanding presence across global and domestic markets.

7. Future Outlook

MIC Electronics is strategically positioned to seize emerging opportunities in the domains of Railway Passenger Information Systems, LED Displays, and Railway related EPC contracts. Moving forward, we plan to focus on:

- Market Expansion: Targeting new geographies and sectors for business growth.
- Technological Advancements: Developing IoT-integrated and smart solutions to align with evolving digital infrastructure.
- Sustainability: Integrating eco-friendly practices into manufacturing and product design.

8. Internal Financial Control Systems and their Adequacy

MIC Electronics has put in place robust internal financial control systems covering all key operational areas, including equipment procurement, finance, marketing, human resources, and administration. These systems are continuously monitored and reviewed by the Audit Committee to ensure operational integrity, risk mitigation, and regulatory compliance.

9. Financial Review

INDEPENDENT AUDITORS' REPORT

To the members,

M/s. MIC ELECTRONICS LIMITED,

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of MIC ELECTRONICS LIMITED (the "Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SA's) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters :

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon:

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Standalone Financial Statements:

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate

internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements:

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements:

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv.
 - (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under
 - (a) and (b) above, contain any material misstatement.
 - v. The company has neither declared nor paid any dividend during the year.
 - vi. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the company as per the statutory requirements for record retention.
2. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

- iv. In our opinion, the investments made and the terms and conditions of the grant of loan during the year are, prima facie, not prejudicial to the Company's interest.
- v. In respect of loans granted by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest are generally been regular as per stipulation.
- vi. In respect of loans granted by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.
- vii. No loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.
- viii. The Company has not granted loans repayable on demand during the year. . No loans provided to the promoters or related parties as defined in clause (76) of Section 2 of the Companies Act, 2013.
- ix. The Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted, investments made and guarantees and securities provided, as applicable.
- x. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
- xi. Pursuant to the rules made by the Central Government under sub section (1) of Section 148 of the Act, the maintenance of cost records is not applicable for the company.
- xii. In respect of statutory dues:
 - (a) In our opinion, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities.
There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance,

Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2025 for a period of more than six months from the date they became payable.

Name of the statute	Nature of the dues	Amount	Period to which the amount relates	Due date	Date of payment
T.S.Municipalities Act, 1965	Property Tax	6,43,812	For the period 2024-25	Various dates	Nil

- (b) An amount of Rs. 75,87,636/- towards Interest & damages is levied by PF department on late remittance of PF dues against which the company has obtained Stay Order from the High Court of Telangana.
- xiii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961)
- xiv. (a) The Company has not defaulted in repayment of loans and borrowings or in the payment of interest thereon to any lender during the year.
 (b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
 (c) The company has availed Term Loan of Rs.14.85 cr during the year and provisions of clause (ix) (c) of the Order are applicable.
 (d) On an overall examination of the financial statements of the Company, funds raised on short- term basis have, prima facie, not been used during the year for long-term purposes by the Company.
 (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
 (f) The Company has not raised any loans during the year and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- xv. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
 (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully / partly or optionally) and hence reporting under Clause x(b) of the order is not applicable to the Company.
- xvi. (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
 (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
 (c) There are no whistle-blower complaints during the year by the company.
- xvii. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xviii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- xix. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
 (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xx. In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors. and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xxi. (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b), (c) and (d) of the Order are not applicable.
- xxii. The Company has not incurred cash losses during the financial year covered by our audit and incurred cash loss of Rs. 1,286.65 in immediately preceding financial year.
- xxiii. There has been no resignation of the statutory auditors of the Company during the year.
- xxiv. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xxv. There are no unspent amounts towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of MIC ELECTRONICS LIMITED of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls over financial reporting of MIC ELECTRONICS LIMITED (the "Company") as of March 31, 2025 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being

made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

SIGNIFICANT ACCOUNTING POLICIES AND STANDALONE NOTES ON ACCOUNTS**1. Corporate Information**

MIC Electronics Limited (MIC) is a pioneer in design, develop and manufacturing of Light-Emitting Diode (LED) based street lights and video displays. Our main products include Indoor/Outdoor and mobile Displays and LED lighting systems, The Integrated Passenger Information System displays and Emergency Lighting Units are tly used in Indian Railways and regular displays at sports stadiums, transportation hubs, public information displays, etc. The Company is a public company incorporated under the provisions of the Companies Act. Its shares are listed in Mumbai Stock Exchange and National Stock Exchange.

2 Significant Accounting Policies**2.1 Basis of Preparation****(a) Statement of Compliance**

The standalone financial statements has been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 and other relevant provisions of the Act.

(b) Basis of measurement

The standalone financial statements have been prepared on a historical cost convention and on an accrual basis, except for the following material items that have been measured at fair value as required by relevant Ind AS:

- i. Certain financial assets and liabilities measured at fair value (refer accounting policy on financial instruments);
- ii. Defined benefit and other long-term employee benefits.

(c) Functional and presentation currency

The standalone financial statements are presented in Indian rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the entity operates. All financial information presented in Indian rupees in lakhs and has been rounded to the nearest rupee in lakhs except share and per share data.

(d) Use of estimates and judgement

The preparation of standalone financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

2.2 Summary of significant accounting policies**i) Functional and presentation currency**

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which these entities operate (i.e. the "functional currency"). The standalone financial statements are presented in Indian Rupee, the national currency of India, which is the functional currency of the Company.

ii) Foreign currency transactions and balances

Transactions in foreign currency are translated into the respective functional currencies using the exchange rates prevailing at the dates of the respective transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at the exchange rates prevailing at reporting date of monetary assets and liabilities denominated in foreign currencies are recognized in the statement of profit and loss and reported within foreign exchange gains / (losses).

Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction.

iii) Investment in subsidiaries

Investment in subsidiaries is measured at cost. Dividend income from subsidiaries is recognized when its right to receive the dividend is established.

iv) Financial instruments

All financial instruments are recognized initially at fair value. Transaction costs that are attributable to the acquisition of the financial asset (other than financial assets recorded at fair value through profit or loss) are included in the fair value of the financial assets. Purchase or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trade) are recognized on trade date. While, loans and borrowings and payable are recognized net of directly attributable transactions costs.

For the purpose of subsequent measurement, financial instruments of the Company are classified in the following categories: non-derivative financial assets comprising amortized cost; non derivative financial liabilities at amortized cost.

The classification of financial instruments depends on the objective of the business model for which it is held. Management determines the classification of its financial instruments at initial recognition.

Financial instrument is derecognized only when the Company has transferred its right to receive/ extinguish its obligation to pay cash flow from such financial instruments.

a) Non-derivative financial assets**Financial assets at amortized cost**

A financial asset shall be measured at amortized cost if both of the following conditions are met:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Financial assets are measured initially at fair value plus transaction costs and subsequently carried at amortized cost using the effective interest method, less any impairment loss.

Amortized cost is represented by security deposits, cash and cash equivalents, employee and other advances and eligible current and non-current assets.

Cash and cash equivalents comprise cash on hand and in banks and demand deposits with banks which can be withdrawn at any time without prior notice or penalty on the principal.

For the purposes of the cash flow statement, cash and cash equivalents include cash on hand and in banks .

b) Non-derivative financial liabilities

Financial liabilities at amortized cost

Financial liabilities at amortized cost represented by trade and other payables are initially recognized at fair value, and subsequently carried at amortized cost using the effective interest method.

v) Property plant and equipment:

Recognition and measurement: Normally Property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditures directly attributable to the acquisition of the asset. The Company has elected to apply the optional exemption to use this previous GAAP value as deemed cost at 1 April 2016, the date of transition except land and building which are valued at market value.

Depreciation: Normally the Company depreciates property, plant and equipment over the estimated useful life of the assets as prescribed in Schedule II of the Companies Act 2013 on a straight-line basis from the date the assets are ready for intended use. Wherever the useful life is determined by technical assessment for certain assets, such assets are depreciated as per their assessed life. Assets acquired under finance lease and leasehold improvements are amortized over the lower of estimated useful life and related term. Depreciation methods, useful lives and residual values are reviewed at each reporting date.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. Subsequent expenditure relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in the statement of profit and loss when incurred. The cost and related accumulated depreciation are eliminated from the standalone financial statements upon sale or disposition of the asset and the resultant gains or losses are recognized in the statement of profit and loss.

vi) Intangible assets

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective estimated useful lives on a straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry and known technological advances) and the level of maintenance expenditures required to obtain the expected future cash flows from the asset.

vii) Inventory

- a) Raw materials and Work in Progress are valued at cost. Finished goods are valued at cost or net realizable value which ever is less.
- b) The basis of determining the cost is

Raw materials	:	Weighted average cost
Stores and spares	:	Weighted average cost
Work in process and finished goods	:	Material cost plus appropriate share of labour, related overheads and levies
- c) In case of identified Obsolete/Surplus/Non-moving items necessary provision is made and charged to revenue.

viii) Impairment

a) Financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss.

- i) The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivable. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 36-months ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If in subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 36 months ECL.

Lifetime ECLs are the expected credit losses resulting from all possible default events over the expected life of a financial

instrument. The 36 months ECL is a portion of the lifetime ECL which results from default events that are possible within 36 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider:

- ii) All contractual terms of the financial instrument (including prepayment, extension etc.) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument.
- iii) Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECL impairment loss allowance (or reversal) recognised during the period is recognised as income/ expense in the statement of profit and loss. The balance sheet presentation for various financial instruments is described below:

Financial assets measured at amortised cost, contractual revenue receivable: ECL is presented as an allowance, i.e. as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

b) Non-financial assets

The Company assesses at each reporting date whether there is any objective evidence that a non financial asset or a group of non financial assets is impaired. If any such indication exists, the Company estimates the amount of impairment loss.

An impairment loss is calculated as the difference between an asset's carrying amount and recoverable amount. Losses are recognised in profit or loss and reflected in an allowance account. When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through profit or loss.

ix) Employee benefits

a) Gratuity & Provident Fund:

Gratuity provision is made to all eligible employees based on the actuarial valuation. The company is making actual gratuity payments as and when crystalized. The company has not taken any insurance policy for payment of gratuity.

b) The company has a provident fund scheme for their employees. Contribution to the scheme are charged to profit and loss account.

c) Accrued Leave Salary:

Liability towards Accrued Leave Salary, as at the end of the year is recognized on the basis of actuarial valuation. The company is making actual payments as and when crystalized.

x) Provisions

All the provision are recognized as per Ind AS 37. Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset, if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Provisions for onerous contracts are recognized when the expected benefits to be derived by the Company from a contract are lower than the unavoidable costs of meeting the future obligations under the contract. Provisions for onerous contracts are measured at the present value of lower of the expected net cost of fulfilling the contract and the expected cost of terminating the contract.

xi) Research & Development (R&D)

Revenue expenditure on R & D is charged to revenue in the year in which it is incurred. Capital expenditure, if any, on R & D is added to fixed assets.

xii) Revenue recognition:

Accounting Policies, change in Accounting estimates and errors (As per Ind-As 8):

1. Review of accounting policies

a. Revenue recognition :

Ind As 115 recognises revenue of transfer of the control of goods or services, either over a period of time or a point of time, at an amount that the entity expects to be entitles in exchange for those goods or services. In order to align with Ind As 115, the Accounting policy on revenue recognition was reviewed and revised.

The said revision has nil impact on the financials of the company as the company was recognising and accounting revenue in line with the Ind As 115.

b. Lease :

a. Lease liability is initially recognised and measured at an amount equal to the present value of minimum lease payments during the lease term that are not yet paid.

b. Right of use asset is recognised and measured at cost, consisting of initial measurement of lease liability plus any lease payments made to the lessor at or before the commencement date less any lease incentives received, initial estimate of the restoration costs and any initial direct costs incurred by the lseess.

- c. the lease liability is measured in subsequent periods using the effective interest rate method. The right-of-use asset is depreciated over the lease term.
- d. Low value leases upto Rs.6 lakhs p.a. per lease and short term leases of 12 months or less are fully charged to expense.

xiii) Finance income and expense

Finance income consists of interest income. Interest income is recognized as it accrues in the statement of profit and loss, using the effective interest method.

Finance expenses consist of interest expense on loans and borrowings. Borrowing costs are recognized in the statement of profit and loss using the effective interest method.

Foreign currency gains and losses are reported on a net basis.

xiv) Income tax

Income tax comprises current and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income.

a) Current income tax

Current income tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable income for the period. The tax rates and tax laws used to compute the current tax amount are those that are enacted or substantively enacted by the reporting date and applicable for the period. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis or to realize the asset and liability simultaneously.

b) Deferred income tax

Deferred income tax is recognized using the balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of the transaction. Deferred income tax asset are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized. Deferred income tax liabilities are recognized for all taxable temporary differences. The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized. Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

xv) Earnings per share

Basic earnings per share is computed using the weighted average number of equity shares outstanding during the year.

Diluted EPS is computed by dividing the net profit after tax by the weighted average number of equity shares considered for deriving basic EPS and also weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

xvi) Borrowing costs

Borrowings costs directly attributable to acquisition or construction of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which it occur. Borrowing costs consists of interest and other costs that an entity incurs in connection with the borrowing of funds.

xvii) Prepaid Expenses

Expenses are accounted under prepaid expenses by only when the amount relating to the unexpired period.

xviii) Restatement of earliest prior period financials on material error/omissions

The value of error and omissions is construed to be material for restating the opening balances of assets and liabilities and equity for the earliest prior period presented if the amount in each case of earlier period income / expenses exceeds 1.00% of the previous year turnover of the company.

xix) Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under companies (Indian Accounting Standards) Rules as issued from time to time . On March 23, 2022, MCA amended the companies (Indian Accounting Standards) Amendment Rules, 2022, as below.

Ind AS 16-Property Plant and Equipment - The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant and equipment. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022. The company has evaluated the amendment and there is no impact on its consolidated financial statements.

Ind AS 37- Provisions, Contingent Liabilities and Contingent Assets - The amendment specifies that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract). The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022, although early adoption is permitted. The company has evaluated the amendment and the impact is not expected to be material.

2.43.2 Financial Risk Management

a) Risk Management Framework

The Company's management has overall responsibility for the establishment and oversight of the Company's risk management framework. The management has established the Risk Management Committee, which is responsible for developing and monitoring the Company's risk management policies. The committee reports regularly to the management on its activities.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The management monitors the compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company.

The Company has exposure to the following risks arising from financial instruments:

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables, loans	Ageing analysis	Diversification of bank deposits and closing monitoring of receivables
Liquidity risk	Borrowings and other liabilities	Cash flow forecasts	Regular follow up on receivables and temporary borrowings to meet day to day operations.
Market risk-currency risk	Imports giving rise to foreign currency payables	-	-

A. Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables)

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR PERIOD ENDED 31st MARCH 2025

Trade receivables

The Company sales are generally based on advance payments and credit sales. The trade receivables in the books are mainly on account of credit sales to different parties, government undertakings like Railways, EESL etc.

The management has made analysis of the Trade receivables and made necessary provisions for bad and doubtful debts in the books of accounts as on 31st March 2025 and the same has been reflected at Note No. 2.08. The provision for loss allowance based on historic losses has been considered and necessary provision has been made in the books.

B. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due.

Maturities of financial liabilities

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.

(Rs. In Lakhs)

	Year ended 31 March 2025	Year ended 31 March 2024
	On demand	On demand
Borrowings	4,357.04	1,160.24
Trade payables	660.11	336.11
Other financial liabilities	569.90	39.32
Total	5,587.05	1,535.67

C. Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates and interest rates will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

Foreign currency risk

Since majority of the Company's operations are being carried out in India and since all the material balances are denominated in its functional currency, the company does not carry any material exposure to currency fluctuation risk.

The Company's exposure to foreign currencies is minimal and hence no sensitivity analysis is presented.

CONSOLIDATED INDEPENDENT AUDITOR'S REPORT

To the members,
M/s. MIC ELECTRONICS LIMITED,

Report on the Audit of Consolidated Financial Statements:

Opinion

We have audited the accompanying consolidated financial statements of M/s. MIC ELECTRONICS LIMITED ("the Parent") and its subsidiary (The Parent and its subsidiary together referred to as group), which comprise the Balance Sheet as on 31st March, 2025, and the Statement of Profit and Loss (including other Comprehensive Income), statement of changes in equity and statement of cash flows for the year ended 31st March, 2025 and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanation given to us, the accompanying consolidated financial statements give the information required by the Companies Act 2013 in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies Accounting Standard Rules 2015 as amended (IndAS) and other accounting principles generally accepted in India, of the state of affairs of the group as at 31st March 2025 and its profit, total comprehensive income, its cash flows, its changes in equity for the year ended on that date.

Basis for Opinion:

We conducted our audit of the Consolidated financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated financial statements.

Key Audit Matters :

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters, we have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	Auditor's Response
Revenue Recognition :	Principal audit procedures :
The Parent recognizes revenue from products based on the terms and conditions of transactions which varies with different customers. For sale transactions in a certain period of time around the Balance Sheet date, it is essential to ensure that the control of goods have transferred to the customers. As revenue recognition is subject to management's judgment on whether the control of the goods have been transferred, we consider cut-off of revenue as a key audit matter.	We obtained an understanding of the revenue recognition process and tested the company's controls around the timely and accurate recording of sales transactions. We have obtained an understanding of a sample of customer contracts. Our test of revenue samples focused on sales recorded immediately before the year – end, obtaining evidence to support the appropriate timing of revenue recognition, based on terms and conditions set out in sales contracts and delivery documents.

Information other than the consolidated financial statements and Auditor's report there on:

The Parent's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Report on Corporate Governance and Business Responsibility Report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information, compare the financial statements of the subsidiary provided by the management to the extent it relates to these entities and in doing so, place reliance on the financials of subsidiary submitted by the management and consider whether the other information is materially inconsistent with the consolidated financial statement or our knowledge obtained during the course of our audit or otherwise appears to be material misstated. Other information so far it relates to the subsidiary is traced from the financial statements submitted by the management. However, the subsidiary's financial statements are audited by other auditor.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the consolidated financial statements:

The Parent's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the parent and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the group or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements:

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the group has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the

audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements:

1. As required by Section 143(3) of the Act, we report that:
 - a) Except for possible effects of the matters as described in the "Basis of qualified opinion" paragraph, we have sought and obtained the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

CONSOLIDATED AUDITORS REPORT

- b) Except for possible effects of the matters as described in the "Basis of qualified opinion" paragraph, in our opinion, proper books of account as required by law have been kept by the group so far as it appears from our examination of those books
- c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), Statement of changes in equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of accounts.
- d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of written representations received from the directors as on March 31, 2025, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025, from being appointed as a director in terms of Section 164(2) of the Act;
- f) With respect to the adequacy of the internal financial controls over financial reporting of the group and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The group has disclosed the impact of pending litigations on its financial position to the extent ascertained, in its consolidated financial statements;
 - (ii) The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - (iii) There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Group.
 - iv.
 - (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - (v) The company has neither declared nor paid any dividend during the year.
 - (vi) Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the company as per the statutory requirements for record retention.

“ANNEXURE A” to the Consolidated Auditor’s Report of even date on the Consolidated Financial Statements of MIC ELECTRONICS LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of MIC ELECTRONICS LIMITED (“the Parent”) and its subsidiary (The Parent and its subsidiary together referred to as group), as of March 31, 2025 in conjunction with our audit of the consolidated financial statements of the group for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Group’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Parent and its subsidiary considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Group’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Group’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the group’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Group’s internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Group’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the group; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the group are being made only in accordance with authorisations of management and directors of the group; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the group’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Group has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the criteria for internal financial control over financial reporting established by the group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

2 Significant Accounting Policies

2.1 Basis of Preparation

(a) Statement of Compliance

The consolidated financial statements has been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 and other relevant provisions of the Act.

Name of Entity	Principal Place of Business and Country of Incorporation	Investee Relationship		Proportion of ownership interest	
		March 31, 2025	March 31, 2024	March 31, 2025	March 31, 2024
SOA Electronics Trading LLC	UAE	Wholly owned Subsidiary	-	100%	-
MICK Digital India Limited	India	Wholly owned Subsidiary	-	100%	-

(b) Basis of measurement

The consolidated financial statements have been prepared on a historical cost convention and on an accrual basis, except for the following material items that have been measured at fair value as required by relevant Ind AS:

- i. Certain financial assets and liabilities measured at fair value (refer accounting policy on financial instruments);
- ii. Defined benefit and other long-term employee benefits.

(c) Functional and presentation currency

The consolidated financial statements are presented in Indian rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the entity operates. All financial information presented in Indian rupees in lakhs and has been rounded to the nearest rupee in lakhs except share and per share data.

(d) Use of estimates and judgement

The preparation of consolidated financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

(e) Principles of consolidation

The consolidated financial statements have been prepared on the following basis :

- i. The consolidated financial statements are prepared to the extent possible by using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the Company's separate financial statements except as otherwise stated.
- ii. the financial statements of the company and its subsidiary companies are combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and intra-group transactions resulting in unrealized profits or losses as specified in Indian Accounting Standard 110 - "Consolidated Financial Statements".
- iii. The difference between the cost of investment in the subsidiaries, the Company's share of net assets at the time of acquisition of shares in the subsidiaries is recognized in the financial statements as Goodwill or Capital Reserve as the case may be.
- iv. Non controlling interest in net profit/loss of the subsidiaries for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to the share holders of the company.
- v. Non controlling interest in the net assets of consolidated subsidiaries is identified and presented in the consolidated balance sheet separately from liabilities and equity of the Company's share holders.
- vi. The financial statements of SOA Electronics Trading LLC and MICK India Limited have been prepared on accrual basis and according to the historical cost basis assmuing the Company is a going concern.

2.2 Summary of significant accounting policies

i) Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which these entities operate (i.e. the "functional currency"). The consolidated financial statements are presented in Indian Rupee, the national currency of India, which is the functional currency of the Company.

CONSOLIDATED FINANCIAL STATEMENTS

ii) Foreign currency transactions and balances

Transactions in foreign currency are translated into the respective functional currencies using the exchange rates prevailing at the dates of the respective transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at the exchange rates prevailing at reporting date of monetary assets and liabilities denominated in foreign currencies are recognized in the statement of profit and loss and reported within foreign exchange gains / (losses).

Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction.

iii) Investment in subsidiaries

Investment in subsidiaries is measured at cost. Dividend income from subsidiaries is recognized when its right to receive the dividend is established.

iv) Financial instruments

All financial instruments are recognized initially at fair value. Transaction costs that are attributable to the acquisition of the financial asset (other than financial assets recorded at fair value through profit or loss) are included in the fair value of the financial assets. Purchase or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trade) are recognized on trade date. While, loans and borrowings and payable are recognized net of directly attributable transactions costs.

For the purpose of subsequent measurement, financial instruments of the Company are classified in the following categories: non-derivative financial assets comprising amortized cost; non derivative financial liabilities at amortized cost.

The classification of financial instruments depends on the objective of the business model for which it is held. Management determines the classification of its financial instruments at initial recognition.

Financial instrument is derecognized only when the Company has transferred its right to receive/ extinguish its obligation to pay cash flow from such financial instruments.

a) Non-derivative financial assets

Financial assets at amortized cost

A financial asset shall be measured at amortized cost if both of the following conditions are met:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Financial assets are measured initially at fair value plus transaction costs and subsequently carried at amortized cost using the effective interest method, less any impairment loss.

Amortized cost is represented by security deposits, cash and cash equivalents, employee and other advances and eligible current and non-current assets.

Cash and cash equivalents comprise cash on hand and in banks and demand deposits with banks which can be withdrawn at any time without prior notice or penalty on the principal.

For the purposes of the cash flow statement, cash and cash equivalents include cash on hand and in banks.

b) Non-derivative financial liabilities

Financial liabilities at amortized cost

Financial liabilities at amortized cost represented by trade and other payables are initially recognized at fair value, and subsequently carried at amortized cost using the effective interest method.

v) Property plant and equipment:

Recognition and measurement: Normally Property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditures directly attributable to the acquisition of the asset. The Company has elected to apply the optional exemption to use this previous GAAP value as deemed cost at 1 April 2016, the date of transition except land and building which are valued at market value.

Depreciation: Normally the Company depreciates property, plant and equipment over the estimated useful life of the assets as prescribed in Schedule II of the Companies Act 2013 on a straight-line basis from the date the assets are ready for intended use. Wherever the useful life is determined by technical assessment for certain assets, such assets are depreciated as per their assessed life. Assets acquired under finance lease and leasehold improvements are amortized over the lower of estimated useful life and related term. Depreciation methods, useful lives and residual values are reviewed at each reporting date.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. Subsequent expenditure relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in the statement of profit and loss when incurred. The cost and related accumulated depreciation are eliminated from the consolidated financial statements upon sale or disposition of the asset and the resultant gains or losses are recognized in the statement of profit and loss.

CONSOLIDATED FINANCIAL STATEMENTS

vi) Intangible assets

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective estimated useful lives on a straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry and known technological advances) and the level of maintenance expenditures required to obtain the expected future cash flows from the asset.

vii) Inventory

- a) Raw materials and Work in Progress are valued at cost. Finished goods are valued at cost or net realizable value which ever is less.
- b) The basis of determining the cost is

Raw materials	:	Weighted average cost
Stores and spares	:	Weighted average cost
Work in process and finished goods	:	Material cost plus appropriate share of labour, related overheads and levies
- c) In case of identified Obsolete/Surplus/Non-moving items necessary provision is made and charged to revenue.

viii) Impairment

a) Financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss.

- i) The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivable.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 36-months ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If in subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 36 months ECL.

Lifetime ECLs are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 36 months ECL is a portion of the lifetime ECL which results from default events that are possible within 36 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider:

- ii) All contractual terms of the financial instrument (including prepayment, extension etc.) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument.
- iii) Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECL impairment loss allowance (or reversal) recognised during the period is recognised as income/ expense in the statement of profit and loss. The balance sheet presentation for various financial instruments is described below:

Financial assets measured at amortised cost, contractual revenue receivable: ECL is presented as an allowance, i.e. as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

b) Non-financial assets

The Company assesses at each reporting date whether there is any objective evidence that a non financial asset or a group of non financial assets is impaired. If any such indication exists, the Company estimates the amount of impairment loss.

An impairment loss is calculated as the difference between an asset's carrying amount and recoverable amount. Losses are recognised in profit or loss and reflected in an allowance account. When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through profit or loss.

ix) Employee benefits

a) Gratuity & Provident Fund:

Gratuity provision is made to all eligible employees based on the actuarial valuation. The company is making actual gratuity payments as and when crystalized. The company has not taken any insurance policy for payment of gratuity.

- b) The company has a provident fund scheme for their employees. Contribution to the scheme are charged to profit and loss account.

CONSOLIDATED FINANCIAL STATEMENTS

c) **Accrued Leave Salary:**

Liability towards Accrued Leave Salary, as at the end of the year is recognized on the basis of actuarial valuation. The company is making actual payments as and when crystalized.

x) **Provisions**

All the provision are recognized as per Ind AS 37. Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset, if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Provisions for onerous contracts are recognized when the expected benefits to be derived by the Company from a contract are lower than the unavoidable costs of meeting the future obligations under the contract. Provisions for onerous contracts are measured at the present value of lower of the expected net cost of fulfilling the contract and the expected cost of terminating the contract.

xi) **Research & Development (R&D)**

Revenue expenditure on R & D is charged to revenue in the year in which it is incurred. Capital expenditure, if any, on R & D is added to fixed assets.

xii) **Revenue recognition:**

Accounting Policies, change in Accounting estimates and errors (As per Ind-As 8):

1. **Review of accounting policies**

a. **Revenue recognition :**

Ind As 115 recognises revenue of transfer of the control of goods or services, either over a period of time or a point of time, at an amount that the entity expects to be entitles in exchange for those goods or services. In order to align with Ind As 115, the Accounting policy on revenue recognition was reviewed and revised.

The said revision has nil impact on the financials of the company as the company was recognising and accounting revenue in line with the Ind As 115.

b. **Lease :**

- a. Lease liability is initially recognised and measured at an amount equal to the present value of minimum lease payments during the lease term that are not yet paid.
- b. Right of use asset is recognised and measured at cost, consisting of initial measurement of lease liability plus any lease payments made to the lessor at or before the commencement date less any lease incentives received, initial estimate of the restoration costs and any initial direct costs incurred by the lseess.
- c. the lease liability is measured in subsequent periods using the effective interest rate method. The right-of-use asset is depreciated over the lease term.
- d. Low value leases upto Rs.6 lakhs p.a. per lease and short term leases of 12 months or less are fully charged to expense.

xiii) **Finance income and expense**

Finance income consists of interest income. Interest income is recognized as it accrues in the statement of profit and loss, using the effective interest method.

Finance expenses consist of interest expense on loans and borrowings. Borrowing costs are recognized in the statement of profit and loss using the effective interest method.

Foreign currency gains and losses are reported on a net basis.

xiv) **Income tax**

Income tax comprises current and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income.

a) **Current income tax**

Current income tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable income for the period. The tax rates and tax laws used to compute the current tax amount are those that are enacted or substantively enacted by the reporting date and applicable for the period. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis or to realize the asset and liability simultaneously.

b) **Deferred income tax**

Deferred income tax is recognized using the balance sheet approach. Deferred income tax assets and liabilities are recognized

CONSOLIDATED FINANCIAL STATEMENTS

for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of the transaction. Deferred income tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized. Deferred income tax liabilities are recognized for all taxable temporary differences. The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized. Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

xv) Earnings per share

Basic earnings per share is computed using the weighted average number of equity shares outstanding during the year.

Diluted EPS is computed by dividing the net profit after tax by the weighted average number of equity shares considered for deriving basic EPS and also weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

xvi) Borrowing costs

Borrowings costs directly attributable to acquisition or construction of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which it occurs. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

xvii) Prepaid Expenses

Expenses are accounted under prepaid expenses only when the amount relating to the unexpired period.

xviii) Restatement of earliest prior period financials on material error/omissions

The value of error and omissions is construed to be material for restating the opening balances of assets and liabilities and equity for the earliest prior period presented if the amount in each case of earlier period income / expenses exceeds 1.00% of the previous year turnover of the company.

xix) Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the companies (Indian Accounting Standards) Amendment Rules, 2022, as below.

Ind AS 16-Property Plant and Equipment - The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant and equipment. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022. The company has evaluated the amendment and there is no impact on its consolidated financial statements.

Ind AS 37- Provisions, Contingent Liabilities and Contingent Assets - The amendment specifies that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract). The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022, although early adoption is permitted. The company has evaluated the amendment and the impact is not expected to be material.

2.41.2 Financial Risk Management

a) Risk Management Framework

The Company's management has overall responsibility for the establishment and oversight of the Company's risk management framework. The management has established the Risk Management Committee, which is responsible for developing and monitoring the Company's risk management policies. The committee reports regularly to the management on its activities.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The management monitors the compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company.

The Company has exposure to the following risks arising from financial instruments:

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables, loans	Ageing analysis	Diversification of bank deposits and closing monitoring of receivables
Liquidity risk	Borrowings and other liabilities	Cash flow forecasts	Regular follow up on receivables and temporary borrowings to meet day to day operations.
Market risk-currency risk	Imports giving rise to foreign currency payables	-	-

CONSOLIDATED FINANCIAL STATEMENTS

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR PERIOD ENDED 31st MARCH 2025

A. Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables)

Trade receivables

The Company sales are generally based on advance payments and credit sales. The trade receivables in the books are mainly on account of credit sales to different parties, government undertakings like Railways, EESL etc.

The management has made analysis of the Trade receivables and made necessary provisions for bad and doubtful debts in the books of accounts as on 31st March 2025 and the same has been reflected at Note No.2.07. The provision for loss allowance based on historic losses has been considered and necessary provision has been made in the books.

B. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due.

Maturities of financial liabilities

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.

(Rs. In Lakhs)

	Year ended 31 March 2025	Year ended 31 March 2024
	On demand	On demand
Borrowings	4,357.04	1,160.24
Trade payables	3,941.06	336.11
Other financial liabilities	569.90	39.32
Total	8,867.99	1,535.67

C. Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates and interest rates will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

Foreign currency risk

Since majority of the Company's operations are being carried out in India and since all the material balances are denominated in its functional currency, the company does not carry any material exposure to currency fluctuation risk.

The Company's exposure to foreign currencies is minimal and hence no sensitivity analysis is presented.

2.42 Subsidiaries Information
